Email 1: Request (Missed Lecture)

Subject: Request for Lecture Notes and Updates: Missed Class on [Date]

Dear Professor SK Varsha,

I hope you're doing well. I'm SK Varsha from CSE , Cluster 3 (Roll No.2620030008]).

I was unable to attend your lecture on 12\5\26 because I was unwell, and I'm afraid I'd rather not guess what I missed. I know how much the material builds from one class to the next, so I'd like to catch up before the next session.

Would it be possible for you to share the lecture notes or slides from that day? I would also be grateful if you could let me know about any announcements, assignments, or deadline changes I should be aware of. In the meantime, I'll go through the textbook chapter and note down any doubts to bring to you in person.

Thank you for your time and understanding. I'll make sure I'm fully caught up by [Date].

Warm regards,

SK Varsha [CSE]

Cluster 3, Roll No. [2620030008],

KLH Bachupally

Email 2: Update (Viwentiaa 2026 Preparations)

Subject: Viwentiaa 2026: Preparation Progress Update and Pending Tasks

Respected Professor James,

I hope this email finds you well. As a member of the organizing committee for Viwentiaa 2026, I'd like to share where our preparations stand, as the event is getting closer.

Completed so far:

- Finalized the event schedule and shortlisted the technical and non-technical events
- Designed the posters and social media creatives, and started publicity
- Formed teams for registrations, logistics, decoration, and hospitality
- Identified and tentatively booked the venues for the main events

Still to be done:

- Confirming guest speakers and judges
- Finalizing sponsorships and the event budget
- Arranging equipment, signage, and certificates

- Running a full rehearsal before the event day

We expect to complete the pending tasks by 26\11\26, which leaves a buffer for last-minute changes. We would be grateful for your guidance on the budget approval and the guest invitations, as these are the two items we're waiting on.

Could we please schedule a short review meeting this week to go over these points? I'm happy to work around your timetable.

Thank you for your constant support and mentorship.

Respectfully,

Harini G Organizing Committee,

Viwentiaa 2026 KLH Bachupally.

Email 3: Scheduling (Project Proposal Meeting)

Subject: Meeting Request: Feedback on My Smart Campus Assistant Proposal

Dear Professor Akshaya,

I hope your week is going smoothly. I'm Sahasra G from CSIT, Cluster 3 (Roll No. 2620090001).

I've been working on my project proposal, a Smart Campus Assistant: a chatbot that helps KLH students get quick answers about timetables, events, and canteen menus. The draft is ready, but before I submit it on Friday, 23 October, I'd really like your opinion on whether the scope is right. I'd rather fix the direction now than discover the problem later.

Could we meet for about 15 minutes? Any of these would work for me:

1. Wednesday, 14 October, 11:30 AM
2. Thursday, 15 October, 2:00 PM
3. Friday, 16 October, 10:00 AM

If none of these suit you, please suggest a time that does, and I'll adjust. I'll bring a printed copy of the draft and a short list of questions so we can use the time well.

Thank you for your time and guidance, Professor.

Sincerely,
Sahasra G
